LaBelle Performing Arts announces the addition of a Special Needs Dance Class. Does your child with exceptional needs enjoy music, movement, rhythm and dancing? Studies show that students with special needs participating in the arts increase skills in coordination, focus, spatial awareness, and social interaction. The class will include a variety of dance styles ranging from jazz to hip-hop. The dance skills they acquire will be showcased at our end of the year performance in June. Classes will be on Tuesday nights from 6:30-7:15pm at LaBelle Performing Arts Studio. Classes start on September 7<sup>th</sup> and will be taught by a certified Exceptional Student Education teacher, Mrs. Renee. Mrs. Renee has a Masters in Special Education from Florida State University with experience in dance and gymnastics. She has also worked with Special Olympics events and activities. Class size is limited. Call soon to be put on our newest class roster. We will have a great time!!!! All disabilities are welcome. Ages 5 and up.
