Attendance

Please review our attendance policy. We will begin keeping track of absences in February. A student in group classes planning to participate in the end-of-the year showcase will not be allowed more than 4 absences after February 1st. Excessive absences make it difficult for a class to learn the necessary choreography (Dance and Glee) or blocking and lines (Theatre) for the end-of-the-year showcase. A student may choose to make-up absences by taking private lessons with their instructor in order to review material covered in class if that teacher is available.
