Show

Dear Parents and Students,

Congratulations to Izzy Palag, Sarah Cook, Amanda Edwards, and Daniel Tomas for taking first place in their division (senior duo/trios) and top high score over all the competition. Our students scored 29 out of a possible 30 in their technical elements, and were 3.5 points away from an over all perfect score. We are very proud of you!!

Our piano studio currently has openings on Monday afternoons between 4:30 and 6:30. Piano lessons are private, 30 minute sessions once per week. Moms and Dads are welcome to signup, too! Have you always wished you could play? It's not too late-learn to

play the piano instead of waiting in the lobby while your child is in class! Contact Melanie at Melanie@Labelleperformingarts.com for more information.

The Christmas Piano Recital will be December 6th. Everyone is invited to come hear the piano students play Christmas music and show off their developing skills!

There are openings in our Music Fundamentals class that meets on Tuesday evenings from 7:15-8:00. This class covers the basics of music notation (note reading, rhythms, etc) as well as the story and history of classical ballets and musical theatre shows. See Melanie for details or sign up at the front desk.

Special Announcements

There has been some confusion about classes this week... LaBelle is open this week and classes will be held as usual. Classes are optional for company members and professional division students.

Our newest webcast will feature valuable information regarding professional careers in the performing arts, and some of the necessary steps to reaching those goals. You won't want to miss this one.
