September 2023

Welcome Back!

We are so happy to welcome everyone back for another great year of dance! If this is your first year, we thank you for choosing our studio. For our returning students, thank you for your continued support.

Class Drop/Add

As everyone settles into their classes and student levels get adjusted, don't forget to fill out a drop/add form at the front desk if you make changes to your schedule. Even if you've discussed the change with your instructors, please make sure and inform the front desk of any changes.

Reminder for Music Students

Music lessons must be canceled 24 hours in advance in order to receive credit for the lesson and allow scheduling adjustments by the teacher. In the case of sudden illness, the instructor must be contacted directly no later than noon on the day of the lesson (earlier if possible). If an instructor is contacted less than three hours before a scheduled lesson, it will be up to the instructor whether to apply a credit.

Also, please do not drop-off students more than 15 minutes before their lesson and pick them up promptly when their lesson is completed.

Don't forget that we offer private lessons for voice, piano, violin/viola/cello, and guitar. See the front desk for more information.

Costume Measuring Week October 23-26

This year, costume measuring week will be Oct. 23-26. Parents are required to attend class with their student. This will also be an observation week for parents to see what their student has been doing in class.

Adult Multi-Style Class

Join us every Tuesday 6:45-7:30 pm for a fun adult class. No experience needed! Every week will introduce a different style: Hip Hop, Jazz, Tap, or maybe you just need a good 45 minutes of stretching. Drop-in is \$25 a class or you can sign up to come every week. Here is the schedule for September:

September 12 – Hip Hop with Klarissa

September 19 – Jazz with Amanda

September 26 – Tap with Brandi*

*Tap shoes not required but encouraged. Borrow a pair from your dancer!

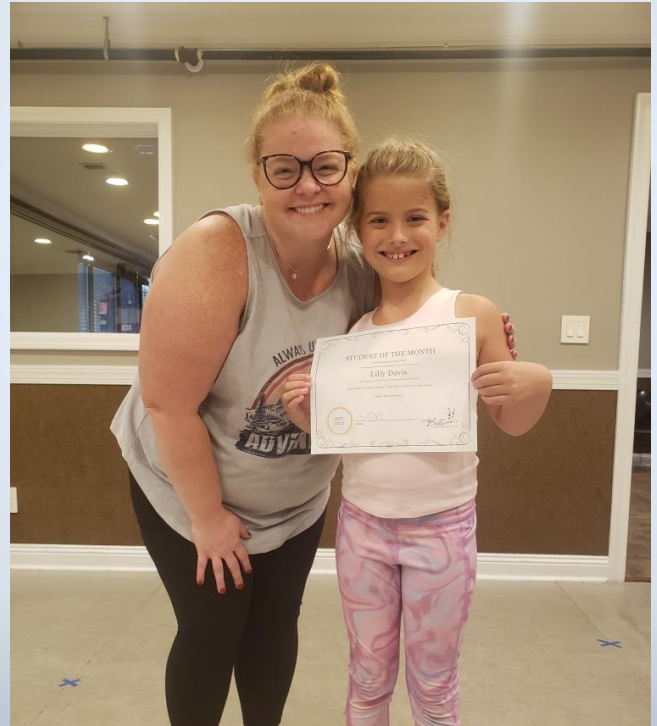

Don't forget our Adult Ballet on Wednesday morning at 9:30 pm! Prior experience is required.

Playhouse Performance Project

The Playhouse Performance Project will take your child on the complete journey of putting on a show. We will have auditions, write our own script, pick the music, and will end with a performance of the show we have written. Classes will focus on character development, learning theatre and music terms and how to put them to use, and basic choreography. This class will give students the chance to expand their performing talents, work as a team with their cast, and gain confidence in their abilities. The final production will be performed for family and friends in our black box theatre with costumes, lights, and sets this December!

Congratulations to our September Student of the Month: **Lilly Davis**
